PERSONNEL

Re-appointment of Head of Department

On July 20, 2023, the Dean of Faculty of Medicine announced and awarded the Rector's Decision on re-appointing the title of Head of Internal Medicine to Assoc. Prof. Hoang Van Sy.

The Dean of Faculty of Medicine congratulates Assoc. Prof. Hoang Van Sy.

Representative of Internal Medicine Department and Dean of Faculty of Medicine congratulate Assoc. Prof. Hoang Van Sy.

PERSONNEL

Module management personnel meeting

On July 17, 2023, the Dean of the Faculty of Medicine, the Head of the Office of the Faculty of Medicine met with the Heads of the 2nd year Practice of Medicine Module and the 3rd year Human Nervous System and Behavior Module with Dr. Hoang Dinh Tuy, Dr. Tran Thanh Hung to discuss the personnel to manage these modules in the new academic year of 2023-2024.

TRAINING

Graduation exam for Doctor of Medicine in 2023

In 2 days, 8/8 and 9/8/2023, Faculty of Medicine held the graduation exam for Doctor of Medicine class 2017 - 2023. This is the 2nd cohort of students graduated under the innovation program based on competency. The exam was taken seriously and fairly.

TRAINING

Meeting of the Scientific and Training Council of the Faculty of Medicine and the UMP to adjust the framework of the Doctor of Medicine training program

On July 24, 2023, the Scientific Council for Training of the Faculty of Medicine met under the chairmanship of Prof. Tran Diep Tuan - Chairman of the Council approved the Plan to adjust the training program for Medical Doctors to reduce the training program workload. The revised Medical Doctor training program framework was approved by the Scientific Council for Training of Medical University on August 1, 2023 and put into effect from the academic year 2023 - 2024.

Major adjustments in the Medical Doctor Training Framework from 2023-2024:

-  Year 3 Modules are organized into blocks to reduce the number of subjects at a time for students. Internal Medicine /Surgery practice is organized into 8-week blocks, 2 times a year.
-  Year 4 Modules are organized into 4 blocks, each block is 8 weeks, students have 1 week break between blocks.
-  Year 5 Elective courses reduced from 8 credits (4/14 electives) to 4 credits (2/12 electives). Orthopedic Trauma - Rehabilitation module changes from teaching in year 4 to teaching in year 5.
-  Year 6 Internal Medicine, Surgery, OB/GYN and Pediatric modules organize training for 8 weeks; followed by a 4-week summer semester, a 2-week graduation course, a 1-week self-study and a 1-week graduation exam. The graduation exam is expected to be held in early July.

TRAINING

Considering noticing, academic warnings and forced expulsion of students in the 2nd semester of the academic year 2022-2023

On August 14, 2023, the Dean of the Faculty of Medicine and the Training Management Team of the Faculty of Medicine had a meeting to consider noticing, academic warning and force expulsion of students in the second semester of the academic year 2022-2023. In the academic year 2022-2023, the Faculty of Medicine has no cases of students being forced to withdraw from school, or violate the regulations on student work, the regulations on assessment of student training results. There was 1 student in Y22 who received a study warning; 4 students (2 students of cohort Y22, 1 student of cohort Y20 and 1 student of cohort Y19) were ranked.

POSTGRADUATE

Postgraduate Admission

The 2nd Postgraduate entrance exam including the programs of Medical Resident, BS CK1, BS CK2, Master will take place on November 14 and November 15, 2023. Doctoral admission will take place from October 30 to November 10, 2023.

Application deadline:

- ✿ PhD: October 2 – 3, 2023.
- ✿ Other program: October 17-18, 2023.
