PARTY COMMITTEE OF FACULTY OF MEDICINE

The 19th Congress of the Faculty of Medicine Party Committee, 2025 – 2030 term

The Congress presented flowers to thank Associate Professor Huynh Nghia – Deputy Secretary of the Faculty of Medicine Party Committee for the 2020 – 2025 term.

The Faculty of Medicine Party Committee for the 2025 – 2030 term revealed to the congress.

Delegates attending the conference took souvenir photos.

PERSONNEL

Appointment and reappointment of leaders of departments and units of the Faculty of Medicine

On the afternoon of February 20, in the faculty meeting, the Faculty Board announced the following decisions:

- 🌀 Appointment of the position of Head of the Department of Microbiology - Parasitology: Dr. Huynh Minh Tuan.
- 🌀 Appointment of the Head of the Education Quality Assurance Unit: Dr. Ly Huu Tuan.
- 🌀 Reappointment of the Deputy Head of the Department of Obstetrics and Gynecology: Dr. Nguyen Hong Hoa.

The faculties received the appointment and reappointment decisions.

Congratulations to the appointed faculties of the Faculty of Medicine:

- ✱ Deputy Director of the Center for Medical Testing Quality Control, concurrently holding the position of Head of the Department of Medical Laboratory Testing, Faculty of Nursing and Medical Technology and Deputy Head of the Department of Microbiology - Parasitology, Faculty of Medicine - Dr. Tran Thi Hue Van.
- ✱ Director of the Center For Health Professionals Training, concurrently holding the position of Deputy Head of the Department of Pediatrics, Faculty of Medicine - Assoc. Prof. Nguyen Anh Tuan.

The faculties received flowers from the Faculty's leaders.

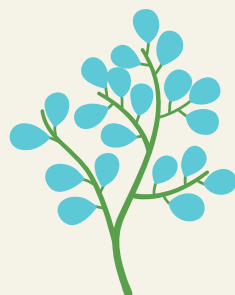

ORGANIZATION – ADMINISTRATION

Recruitment of lecturers and teaching assistants for departments of the Faculty of Medicine

On March 13, the Faculty of Medicine organized interviews to recruit staff for the positions of lecturers and teaching assistants for departments of FoM.

ORGANIZATION – ADMINISTRATION

Meeting on development with departments

On the afternoon of February 11, the Faculty Board of the Faculty of Medicine, the Faculty Office, and professional groups continued to meet with the Heads, academic directors of the departments: Tuberculosis and Lung Diseases, Anesthesia and Resuscitation, Endocrinology, Urology, Dermatology, and Pediatric Surgery to understand the personnel situation and activities of the departments and at the same time provide timely directions to help departments and centers overcome difficulties at the moment and in the future.

The Faculty Board met with the Department of Tuberculosis and Lung Diseases.

The Faculty Board met with the Department of Anesthesia and Resuscitation.

The Faculty Board of the Faculty met with the Department of Endocrinology.

The Faculty Executive Committee met with the Department of Urology.

The Faculty Board met with the Department of Dermatology.

The Faculty Board met with the Department of Pediatric Surgery.

ORGANIZATION – ADMINISTRATION

Practical training on using VGCA digital signature software for academic staff and staff of departments of the Faculty of Medicine in 2025

On March 11, under the direction of the Faculty Board, the Faculty of Medicine Office organized a practical training course on using VGCA digital signature software for academic staff and staff of departments of the Faculty of Medicine in 2025. The Faculty conducted the training with the aim of helping academic staff and staff of departments to practice proficiently using VGCA digital signature software to prepare for the implementation of digital signatures throughout the university in the future.

Dr. Nguyen Thi My Hanh – Deputy Head of the Faculty Office announced the purpose of the training course.

Academic staff and staff of departments participated in the training session.

TRAINING

Meeting to review and evaluate the Medical Doctor Competency-based Training Program

On February 17 & March 6, the Faculty Board met with the Heads of years 1, 2, 3, 4, 5, 6, Heads/Deputy Heads of Departments, Heads of Modules, Training Management Team, Education Quality Assurance Unit and Faculty Office to review, evaluate and adjust the training program to the current situation, helping to improve the quality of training of medical students in the future.

Faculties attending the meeting on February 17th.

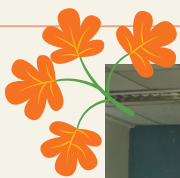

Faculties attending the meeting on March 6th.

POSTGRADUATE TRAINING

Meeting to develop and evaluate training programs for CKII and PhD levels

On the afternoon of March 5, the Faculty Board of the Faculty of Medicine met with the Heads and Deputy Heads of Departments, postgraduate academic affairs and faculties involved in developing training programs to develop and evaluate training programs for CKII and PhD levels according to the university's regulations.

The Faculty Board disseminated information and university regulations on developing postgraduate training programs.

Faculties attended the meeting.

INSTITUTE – UNIVERSITY COOPERATION

The Faculty of Medicine congratulates hospitals and medical centers on February 27th

From February 17 to February 26, the leaders of the Faculty of Medicine and the university leaders visited and congratulated 43 hospitals and medical centers on Vietnamese Doctors' Day, February 27th.

Congratulations to
Gia Dinh People's
Hospital.

Congratulations to
the Hematology and
Blood Transfusion Hospital.

Congratulations to
the Ophthalmology
Hospital.

Happy DOCTOR'S DAY

Congratulations to Children's Hospital 2.

Congratulations to Children's Hospital 1.

Congratulations to Tu Du Hospital.

Congratulations to Hung Vuong Obstetrics and Gynecology Hospital.

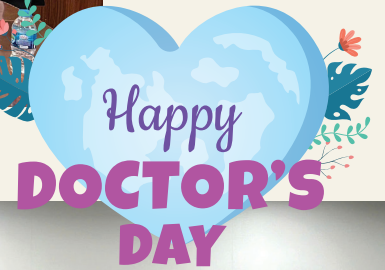

Congratulations to Dermatology Hospital.

Congratulations to District 11 Hospital.

Congratulations to the Psychiatry Hospital.

Congratulations to Tan Phu District Hospital.

Congratulations to the Ear, Nose and Throat Hospital.

Congratulations to City International Hospital.

Congratulations to People's Hospital 115.

FACULTY DEVELOPMENT

Training for developing visiting lecturers on POM teaching and assessment methods

On March 10, the Faculty of Medicine opened the course for developing visiting lecturers on POM teaching and assessment methods to: 1) Introduce the content of the POM Y2 practical training program, the output competency of Y2 students; 2) Apply the clinical practice teaching method to guide Y2 students; 3) Apply the method of evaluating practice ability and the feedback method for Y2 students; 4) Review the teaching content of examination of nursing skills, basic examination...

The course is organized in 2 sessions: Session 1 (March 10 & 17, 2025) and Session 2 (March 12 & 19, 2025) for faculties who are lecturers of the Department of Internal Medicine, Surgery, Pharmacology, Center for Advanced Clinical Simulation Training and POM guest lecturers of the faculty.

Dr. Tran Cong Thang - Deputy Head of the faculty started the first session of the course.

Dr. Nguyen Hoai Phong - Head of the faculty Office started the second session of the course.

Dr. Hoang Dinh Tuy - Head of POM Module shared with visiting lecturers the faculty's POM program.

QUALITY ASSURANCE

Workshop “Reporting the results of the AUN-QA accreditation and improvement plan”

On the afternoon of March 12, the Faculty of Medicine organized the Workshop “Reporting the results of the AUN-QA accreditation and improvement plan” with the participation of the Department of Education and Assessment Quality Assurance, the Education Quality Assurance Unit of the faculties of the UMP, the Education Quality Assurance Unit of the Faculty of Medicine and lecturers of the departments of the Faculty of Medicine. The workshop aims to summarize the achieved results and at the same time propose plans and roadmaps to improve the program according to the comments of the AUN-QA accreditation team.

Representatives of the group writing the self-assessment report of the Master of Pediatrics training program reported at the Conference.

Representatives of the group writing the self-assessment report of the Master of Obstetrics training program reported at the Conference.

Lecturers attending the Workshop took souvenir photos.

SCIENTIFIC RESEARCH AND INTERNATIONAL RELATIONS

Meeting to build the Scientific Research and International Relations Group of the Faculty of Medicine

On the afternoons of February 17 and 18, the Faculty Board met with the Scientific Research and International Relations Group of the Faculty to build a team of faculties from different departments to actively participate in the scientific research and international relation activities of the Faculty, contributing to further promoting scientific research and international relation activities in the future.

The Faculty Board
met with
the Scientific
Research
Group.

The Faculty Board
met with
the International
Relation Group.

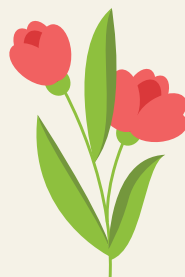

TEACHING RESOURCE MANAGEMENT

Meeting on the plan to renovate and repair the facilities of the Faculty of Medicine

On March 12, the Faculty Board of the Faculty of Medicine met with the leaders of UMP, the Teaching Resources Management Department, the Teaching Resources Management Team of the Faculty of Medicine, the Department of Anatomy, the Department of Embryology - Pathology and the design unit to discuss the plan to renovate and repair the facilities of the Department of Anatomy, the 10th floor computer room, the Digital Pathology Lecture Hall of the Department of Embryology - Pathology of the Faculty of Medicine.

The faculties attended the meeting.

STUDENT AFFAIRS

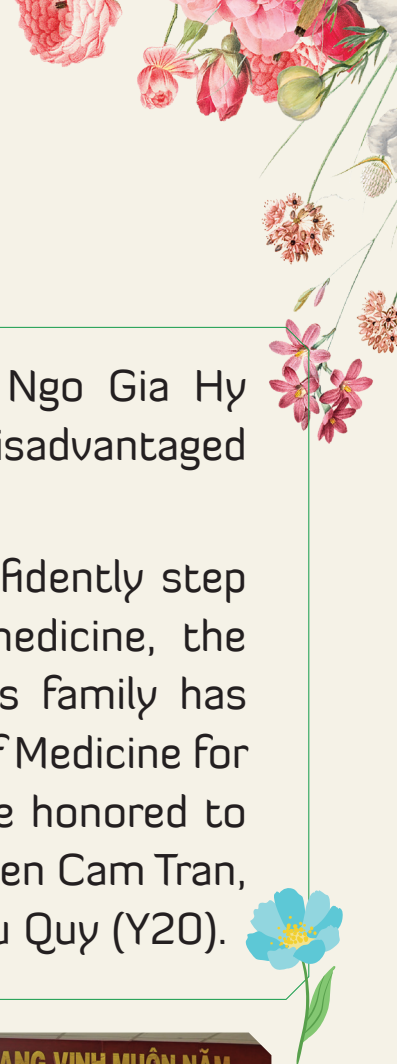

Meeting to review academic tutor for the first semester of the 2024 – 2025 academic year

On February 21, the Training Management Team of the Faculty of Medicine Office met with the faculty's Academic Tutors to review the academic tutoring activities for the first semester of the 2024 – 2025 academic year.

Academic Tutors attended the review meeting.

STUDENT AFFAIRS

Ngo Gia Hy Scholarship

On March 5, the Faculty of Medicine held the Ngo Gia Hy Scholarship Award Ceremony for students from disadvantaged families for the 2024-2025 academic year.

With the desire to add "fire" to students to confidently step on the thorny and challenging path of studying medicine, the scholarship fund of the late Professor Ngo Gia Hy's family has accompanied disadvantaged students of the Faculty of Medicine for many years. This year, 5 students of the faculty were honored to receive scholarships including Tran Thi Ngoc Han, Nguyen Cam Tran, Le Huynh Duc (Y19), Dang Thai Hoang Phuoc, Tran Phu Quy (Y20).

The Faculty of Medicine presented flowers to thank the family of the late Professor Ngo Gia Hy.

Students received scholarships from the family of the late Professor Ngo Gia Hy.

Faculties and students receiving scholarships take souvenir photos with the family of the late Professor Ngo Gia Hy.

FACULTY OF MEDICINE UNION

The "Creative and Intelligent Handicraft Products" Contest with the theme "Gifts of Love on March 8" in 2025

In the "Creative and Intelligent Handicraft Products" Contest with the theme "Gifts of Love on March 8" in 2025 to celebrate the 115th anniversary of International Women's Day (March 8, 1910 - March 8, 2025) and the 1985th anniversary of the Hai Ba Trung uprising organized by the UMP's Union, two teams of the Faculty of Medicine won the Third and Fourth prizes.

The contest created a fun and meaningful playground, bringing relaxing moments to female staff and workers of the whole university.

Team No. 1 of the Faculty of Medicine Trade Union won the Third prize in the contest.

Team No. 2 of the Faculty of Medicine's Trade Union won the 4th prize in the competition.

YOUTH UNION OF THE FACULTY OF MEDICINE

Travelling to France season 5

From February 10 to February 21, the French Club of the Faculty of Medicine organized the program Travelling to France season 5 to help students learn about the culture, cuisine, music and famous cities of France. Through that, the program contributed to fostering the love of French among medical students.

Many students participated in the Club's program.

DOMESTIC COOPERATION

Meeting with Novo Nordisk Vietnam Company

On the morning of February 28, the Faculty Board and representatives of the Department of Endocrinology met with Novo Nordisk Vietnam Company to discuss cooperation opportunities to organize short-term training courses on obesity in the future.

The two sides exchanged information during the meeting.

The Faculty Board and Novo Nordisk Vietnam Company took a souvenir photo.

ANNOUNCEMENT – SCIENTIFIC RESEARCH

Information on registration for Scientific Research Fund from Asian Medical Universitys Network

UMP is a member of AMSN so
UMP has 1 registration for the
research fund.

Call For Applications

ASEAN Research Collaborative Fund

Advancing Research, Strengthening Collaboration

About ARCF

The ARCF aims to support research collaboration among AMSN members by offering **travel grants** and **organizing symposiums**. These efforts foster scientific knowledge exchange, talent sharing, and data collaboration, ultimately improving health in the ASEAN community.

Who can apply?

- ✓ Researchers and scientists from AMSN Institutions

Focus area

- ✓ Scientific knowledge and expertise exchange
- ✓ Collaborative research and data sharing
- ✓ Strengthening regional health initiatives

Travel grant

- ✓ Applications are restricted to travel between AMSN member institutions.
- ✓ Each AMSN institution may submit a maximum of one travel grant application per year.
- ✓ The maximum amount of each travel grant application is **US\$5,000**.

Research symposium

- ✓ Joint research symposiums between AMSN institutions.
- ✓ The maximum amount for each joint research symposium is capped at not more than **US\$10,000**.
