YOUTH UNION OF FACULTY OF MEDICINE

Spring of Love 2025

From December 20, 2024 to January 20, 2025, the Youth Union of the Faculty of Medicine collaborated with the Youth Union and the People's Committee of Xuan Lanh Commune, Dong Xuan District, Phu Yen Province to organize a volunteer program for the community, increasing the solidarity and friendship between the two units called "Spring of Love 2025". The program includes three main activities.

Volunteer program "Medical Health"

- ✿ Program "Screening for hypertension, disseminating information on infectious diseases and other chronic diseases"
- ✿ Screening and counseling on hypertension for 300-400 local people, disseminating brochures on infectious diseases and other chronic diseases such as dengue fever, diabetes, etc.
- ✿ Distributing 300-400 gifts to people in the commune.
- ✿ Program "Consulting on adolescent reproductive health".
- ✿ Organize a focus on instructing students on adolescent reproductive health, first aid for common injuries among students.
- ✿ Present scholarships and gifts to students.

Health consultation for local people.

Volunteer group at Chu Van An Secondary and High University, Xuan Lanh Commune, Dong Xuan District, Phu Yen Province.

Volunteer program “Happy Tet Sum Vay”, “Spring Fair At Ty”

- ✿ Organize fairbooths, art performances at the commune cultural house.
- ✿ Give gifts to policy families, Vietnamese Heroic Mothers in the locality.

Youth project “Clean House to Welcome Tet”

Clean houses, decorate Tet for poor families, policy families in the commune. Clean, tidy up, create landscapes for red addresses, relics, memorial areas in Xuan Lanh Commune.

The Faculty of Medicine students volunteered on the day of launching the program.

The program brought a warm and friendly traditional Tet holiday to children and the elderly in Xuan Lanh commune, Dong Xuan district, Phu Yen province, contributing to promoting the tradition of the Youth Union - Student Association of the Faculty of Medicine - University of Medicine and Pharmacy at Ho Chi Minh City in volunteer work to support the community.

YOUTH UNION OF FACULTY OF MEDICINE

A Year Rewind

From January 22-26, the English Club of the Faculty of Medicine, H.E.I, organized an online program on Facebook "A year rewind" attracting many students to participate. The program created a dynamic and creative playground, helping students improve their English knowledge in the field of Tet. In addition, the activity create a sense of excitement and comfort when approaching English.
